Refreshments

10:30 – 12:15

**SESSION I: YOUR CONTRIBUTION IN THE
GLOBAL HEALTH LANDSCAPE**

Chair: **Renier Koegelenberg**

Challenges: The central initial theme would be to explore the work of faith based communities and particularly its social entrepreneurship, service and innovative dimensions. The aim would be to highlight successes or failures and to explore how more active engagement with a variety of communities could help unite rather than divide societies.
